LUMIERE RESEARCH MENTOR PROFILES

LUMIERE EDUCATION

Lumiere's research mentors are **world-class researchers** in their fields. All researchers are either in a selective PhD program or have recently finished their PhDs. These mentors represent the very pinnacle of academia, including **Rhodes Scholars**, **Harvard** & **Stanford PhDs**, and researchers whose work has been cited in publications like the **Economist** and **BBC**. All mentors are selected after live interviews, application, and go through Lumiere training.
