Test Date
August 1 - November 30
December 1 - February 28/29
March 1 - July 31

Registration Tips:

- The ISEE is unique because its testing calendar is divided into **three strict seasons**. A student is legally permitted to take the ISEE only **once per season**, meaning a maximum of three times over an academic admissions cycle.
- The exact day of testing is highly flexible. ERB (the governing body) opens computer-based and paper-based windows dynamically across testing sites, Prometric Centers, and online at home.

2026-2027 HSPT (High School Placement Test) Dates & Deadlines

Registration Tips:

- The HSPT is used primarily for admissions into Catholic high schools. It does **not** have a national testing board, centralized online portal, or flexible year-round dates.
- **Schools coordinate** their own testing dates - the vast majority administer them on the first two Saturdays of November and the first two Saturdays of December every year.
- A few schools host **make-up exams** in January or February.
